

What are **ASSETS?**

The Program

ASSETs provides incentives for schools and communities to work together and establish before- and after-school enrichment programs that provide academic support; educational enrichment; safe, constructive alternatives for high school students; and assistance in passing the California High School Exit Exam. Programs may operate before school, after school, weekends, summer, intersession, and vacation.

ASSETs is part of the 21st Century Community Learning Centers program that was authorized in 1996 under federal law. The No Child Left Behind Act of 2001 transferred the administration of this program to the states and expanded local accountability for student academic achievement.

The Developmental Assets

There are 41 Development Assets created by the Search Institute and Project Cornerstone that describe essential pieces of healthy development of youth into adulthood.

The People

Jefferson High School's assets are you! You're the students, the teachers, the faculty, the parents, the friends, the communities, the neighborhoods, the creative thinkers, the essential pieces of making sure all of the Jeff community grows and succeeds together.

ASSETS

Education

There are many different programs providing educational support to both high school students and adults to increase the success of the whole family.

The Learning Center

The Learning Center provides homework center, tutoring, and support in passing the high school exit exams everyday after school in the Library. This is provided by Children's Empowerment Inc.

Adult Education

The Jefferson Union High School District's Adult Education department offers many classes to help adults, 18 years and older. Classes that are offered include:

- English as a Second Language
- Computer Literacy
- Job Skills Training

There are also classes to help parents with their children and families. Daly City Youth Health Center, in partnership with the district offers an 8 week parenting class called "Parenting Your Teen".

The "J Café" provides nutritious, tasty, and affordable snacks for students and families in the cafeteria from 5-6:30PM Mondays through Thursdays.

Enrichment

ASSETs believe that the success in academics is greatly aided by a balanced mix of interests and learning opportunities.

Pathways to Success

Daly City Youth Health Center provides one-on-one and group vocational services to students who want to learn job skills, leadership, and life skills. Students will learn skills like resume writing, job interviewing, and completing job applications. Pathways to Success will be provided twice a week.

Student Advisory Board

The "SAB" will complete school-wide projects to address campus needs that are determined by the students. Through a survey, focus groups and other activities, the SAB will create action projects to make sure student voices are included in school decisions. SAB will also help determine what extra classes or programs should be included in ASSETs.

TLC

TLC is a 3-day weekend event that happens twice a year. Students from all across Daly City come together to learn from each other, to make new friends, and to create action projects to help better their schools. Talk to the people at The SPOT for more info.

Recreation

The SPOT

It's THE SPOT to be yourself, learn more about yourself, and develop different skills. At The Spot, you can, listen to music, write rhymes, learn how to DJ, make beanies, practice dances, and basically relax after a long day of classes. Daly City Parks and Rec staff provides the space for students to creativity enhance their education with their interests. The SPOT is located in cafeteria directly after school until 6pm. Classes are created with student input.

Liwanag Kultural Center

Every Friday, LKC's bringing fun and excitement! From dance, musical competitions, to an all air band rock out, students and LKC will be able to plan some fun events for everyone to have a good time.

Club Jeff

Club Jeff provides health and wellness activities like yoga, gymnastics, weight lifting, cardio, swimming, tennis, and other exercise to help students to be healthier and surpass standards for physical fitness. Club Jeff operates from 3-6pm everyday.

After School Safety and Enrichment for Teens
